AMENDMENTS TO THE CLAIMS

App. No. 10/676,938

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. - 11. (Cancelled)

12. (Previously Presented) A method of obtaining information about a called party at a calling party device, the method comprising:

entering a telephone number for the called party at the calling party device:

receiving at the calling party device an address for locating a customized file of the called party;

retrieving the customized file at the calling party device using the address received; and

communicating from the calling party device with the called party over a voice channel associated with the telephone number.

- 13. (Previously Presented) The method of claim 12, wherein the address comprises a URL address.
- 14. (Previously Presented) The method of claim 12, wherein the customized file comprises a World Wide Web page for the called party.
- 15. (Previously Presented) The method of claim 12, wherein the calling party device comprises a mobile phone having a data display.
- 16. (Previously Presented) The method of claim 15, wherein retrieving the customized file further comprises displaying the customized file on the data display of the mobile phone.
- 17. (Previously Presented) The method of claim 16, wherein displaying the customized file comprises displaying a World Wide Web page.
